

A MESSAGE FOR OUR TIME

READ THIS FIRST

INTRODUCTION

“A Message For Our Time” is not a light-weight, easy read message. It was not written to tickle the ears of anyone; it is not a “Hebrew Roots” or “Jewish Roots” of Christianity message; and it is not some kind of intellectual exercise. If this is the kind of message you are seeking then you should go to another website. This message is hard hitting to the Christian and those things that the church teaches but it was not written with malicious intent.

BEFORE YOU BEGIN

Before you read “A Message For Our Time” I strongly suggest that you go to Yahweh (God) in prayer and ask Him to open your eyes and open your ears¹ that you may see and hear what He has to say to you. As you read this message, stay in an attitude of prayer. Have your Scriptures with you and look up everything. Check me out – just because I said it does not make it right. This is a long message (102 pages) so you should read it over several sittings. It has been written in blocks that you can stop at anytime.

“A Message For Our Time” is actually a composite of eight years of messages, papers and research material. I have presented much of this material to Christian groups with three basic reactions so I make the following requests of you now.

If you are a Christian who is firmly convinced that the “Old Testament” is past and done away with. Or that “Jesus nailed the law to the cross and we don’t have to do all that Old Testament stuff anymore”. Or that “Romans (or Galatians, or Hebrews, or whatever) clearly says that the law is done away with and not applicable to us anymore”. Or that “we are not under the law, but under grace”. Then, with your Bible in hand, go before Yahweh (God) and tell Him that you do not have to obey His commands and show Him in your Bible where it says such a thing.

If you are a Christian who is not sure whether Yahweh’s (God’s) commands are for us today or not. You have read things in Scripture and compared them to what you see being taught in the church and you can see there’s something wrong. You’ve read the word “forever” in Yahweh’s commands but the church is teaching it is passed away. Take your Scriptures and go before Yahweh and ask Him to show you the truth. The Truth really will make you free.

If you are a Christian who is sure or mostly sure that Yahweh’s commands are for us today. You have read the Scriptures and you have seen that the commands of Yahweh are not being followed by the church and are even being taught against. Take your Scriptures and go before Yahweh and ask Him to comfort you with His Truth.

¹ Yeshayahu (Isaiah) 43:6 – 8.

I have not made the comments above lightly but very seriously. “A Message For Our Time” is a serious message about serious matters. As a “Watchman” I call out to you a word of warning from Yahweh². Before you begin reading this message take heed to this warning. When you are finished reading, studying the Scripture references and praying and meditating on what was written, you will have a choice. You can remain in the church’s error of “we are not under the law, but under grace” or you can change your life to be obedient to Yahweh’s commands and thus draw closer to Yahshua (Jesus).
