

Erev Shabbat and Shabbat Audio CD

We have discovered that a person not associated with Servants of Messiah Ministries has produced an audio CD of an Erev Shabbat and Shabbat Siddur. Her liturgy parts are from another Siddur but they are the same as the liturgy found in the SOMM Siddur. Her Hebrew is clear and slow enough that it can be followed by someone who is not very familiar with Hebrew liturgy. All of the liturgy uses the Sacred Names as found in the SOMM Siddur.

We are not reselling her CD so you will have to contact her yourself. She is Simcha EmetYah and here e-mail address is simcha0907@gmail.com. She sells here CD's for \$15.00 which includes shipping.
